

REM Old gold structure wall lamp with LED reader

Ref. 29683

REM is a design lighting set created by Alex & Manel Llusçà. It is characterized by a stylized body and a classic but renovated style. The matt gold wall lamp with reader has a minimalist base and an elongated fabric screen making it suitable to illuminate the bedroom. This product is also designed to illuminate contract spaces such as hotel rooms. This luminaire does not include the screen.
