

Table lamp

## GIZEH – R50841079

excl. 1x E27 · max. 60W

- **Cable switch**
- **Lamp(s) not included**

Small lights big time! Thanks to its unusual design, the GIZEH table lamp impresses across the board. Whether as a table lamp on a chest of drawers, a desk or on a small side table in the living room, the small lamps are also a real piece of jewellery during the day. The light is equipped with a cord switch. With its gold-coloured ceramic base and black fabric shade, the light adapts to modern furnishing styles. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
